Ever feel the need to hang out in a haunted house?

For special events, the Friends of White Hill Mansion brings on a team of experienced paranormal investigators to host a 5 hour special ghost hunting event. Bring a flashlight, camera, audio recorder, or any other equipment you would like to experiment with.

You will be given a **tour of the mansion** which includes a historical account of the building and of the hauntings. Your team leaders will show you equipment and the best ways to entice paranormal activity. The rest of the evening is left for you to investigate

Tickets are limited. Price may vary by time limits and capacity.

All proceeds go toward the restoration of the mansion.

Please arrive around 6:30 - 6:45 pm to check in.

The gates will open from **7 pm - 12 am**. There is heat and electricity in the building, but no running water. There is a trailer on site with bathroom facilities.

Staff members will be on hand at all times.

You are not locked in and can leave anytime.

We hope that you have a memorable experience here at White Hill and thank you for your support in our endeavor to save this important piece of American History.

Rules for a Night Time Investigation

- ☼ *No smoking or vaping inside the building or gate*
- ☼ *Drugs and alcohol are strictly forbidden. Anyone under the influence will be asked to leave immediately without a refund.*
- ☼ *Please respect the property while it is under restoration. That includes taking your trash with you when you leave.*
- ☼ *A few areas are forbidden. There are closed off because they are deemed unsafe. Please do not enter there.*
- ☼ *No children under the age of 18 unless previous permission is given*
